NOTICE ON RULES AND FUNDS AVAILABILITY

Applicants' receipt of funding commitments is contingent on their compliance with all statutory, regulatory, and procedural requirements of the Schools and Libraries Universal Service Support Mechanism. Applicants who have received funding commitments continue to be subject to audits and other reviews that USAC and/or the FCC may undertake periodically to assure that funds that have been committed are being used in accordance with all such requirements. The SLD may be required to reduce or cancel funding commitments that were not issued in accordance with such requirements, whether due to action or inaction, including but not limited to that by the SLD, the applicant, or the service provider. The SLD, and other appropriate authorities (including but not limited to USAC and the FCC), may pursue enforcement actions and other means of recourse to collect erroneously disbursed funds. The timing of payment of invoices may also be affected by the availability of funds based on the amount of funds collected from contributing telecommunications companies.

A GUIDE TO THE FUNDING COMMITMENT REPORT

A report for each E-rate funding request from your application is attached to this letter. We are providing the following definitions for the items in that report.

FORM 471 APPLICATION NUMBER: The unique identifier assigned to a Form 471 application by the SLD.

FUNDING REQUEST NUMBER (ERN): A Funding Request Number is assigned by the SLD to each Block 5 of your Form 471 once an application has been processed. This number is used to report to applicants and service providers the status of individual funding requests submitted on a Form 471.

FUNDING STATUS: Each ERN will have one of the following definitions:

1. An ERN that is "Funded" is approved at the level that the SLD determined is appropriate for this ERN. The funding level will generally be the level requested unless the SLD determines during the application review process that some adjustment is appropriate.
2. An ERN that is "Not Funded" is one for which no funds were committed. The reason for the decision will be briefly explained in the "Funding Commitment Decision Explanation." An ERN may be "Not Funded" because the request does not comply with program rules, or because the total amount of funding available for this Funding Year was insufficient to fund all requests.
3. An ERN that is "As Yet Unfunded" reflects a temporary status that is assigned to an ERN when the SLD is uncertain at the time the letter is generated whether there will be sufficient funds to make commitments for requests for Internal Connections at a particular discount level. For example, if your application included requests for discounts on both Telecommunications Services and Internal Connections, you might receive a letter with funding commitments for your Telecommunications Services funding requests and a message that your Internal Connection requests are "As Yet Unfunded." You would receive one or more subsequent letters regarding the funding decision on your Internal Connections requests.

SERVICES ORDERED: The type of service ordered from the service provider, as shown on your Form 471.

SPIN (Service Provider Identification Number): A unique number assigned by the Universal Service Administrative Company to service providers seeking payment from the Universal Service Fund for participating in the universal service support mechanisms. A SPIN is also used to verify delivery of services and to arrange for payment.

SERVICE PROVIDER NAME: The legal name of the service provider.

CONTRACT NUMBER: The number of the contract between the eligible party and the service provider. This will be present only if a contract number was provided on your Form 471.

BILLING ACCOUNT NUMBER: The account number that your service provider has established with you for billing purposes. This will be present only if a Billing Account Number was provided on your Form 471.

SERVICE START DATE: The date services were reported to start for this ERN on your Form 471.

CONTRACT EXPIRATION DATE: The date the contract expires. This will be present only if a contract expiration date was provided on your Form 471.

SITE IDENTIFIER: The Entity Number listed in Form 471, Block 5, Item 22a. This will be present only for "site specific" ERNs.

ANNUAL PRE-DISCOUNT AMOUNT FOR ELIGIBLE RECURRING CHARGES: Eligible monthly pre-discount amount approved for recurring charges multiplied by number of months of recurring service approved for the funding year.

ANNUAL PRE-DISCOUNT AMOUNT FOR ELIGIBLE NON-RECURRING CHARGES: Annual eligible non-recurring charges approved for the funding year.

PRE-DISCOUNT AMOUNT: Amount in Form 471, Block 5, Item 23I, as determined through the application review process.

DISCOUNT PERCENTAGE APPROVED BY THE SLD: The discount rate that the SLD has approved for this service.

FUNDING COMMITMENT DECISION: This represents the total amount of funding that the SLD has reserved to reimburse your service provider for the approved discounts for this service for this funding year. It is important that you and your service provider both recognize that the SLD should be invoiced and the SLD may direct disbursement of discounts only for eligible, approved services actually rendered.

FUNDING COMMITMENT DECISION EXPLANATION: This entry provides an explanation of the amount in the "Funding Commitment Decision."

The following information is provided to assist you throughout the application process. We recommend that you keep it in an easily accessible location and that you share it with the appropriate members of your organization.

FORM 486 DEADLINE - The Form 486 must be postmarked no later than 120 days after the Service Start Date you report on the Form 486 or no later than 120 days after the date of the Funding Commitment Decision Letter, whichever is later. If you are required to have a Technology Plan, that plan must be approved by the start of service for this funding year, you must indicate the SLD Certified Technology Approver who approved your plan and you must retain your approval letter and documentation of your monitoring of the progress toward your stated goals.

CHILDREN'S INTERNET PROTECTION ACT (CIPA) - You must be in compliance with CIPA and cannot request a waiver, if FY2004 is your Third Funding Year for the purposes of CIPA.

INVOICE DEADLINE - Invoices must be postmarked no later than 120 days after the last date to receive service - including extensions - or 120 days after the date of the Form 486 Notification Letter, whichever is later. Invoices should not be submitted until the invoiced products and services have been delivered and billed, and (for BEAR Forms) the provider has been paid.

OBLIGATION TO PAY NON-DISCOUNT PORTION - Applicants are required to pay the non-discount portion of the cost of the products and/or services. Service providers are required to bill applicants for the non-discount portion. The FCC has stated that requiring applicants to pay their share ensures efficiency and accountability in the program. If you are using a trade-in as part of your non-discount portion, please refer to the SLD web site.

RETAIN DOCUMENTATION - Applicants must retain documentation, including but not limited to, documents showing:

- compliance with all applicable competitive bidding requirements,
- products and/or services delivered (e.g., customer bills detailing make, model and serial number),
- resources necessary to make effective use of E-rate discounts, including the purchase of equipment such as workstations not eligible for support,
- the specific location of each item of E-rate funded equipment, and
- the applicant has paid the non-discount portion.

These documents must be retained and available for review for 5 years.

SUSPENSION AND DEBARMENT - Persons who have been convicted of criminal violations or held civilly liable for certain acts arising from their participation in the Schools and Libraries Support Mechanism are subject to suspension and debarment from the program.

FREE SERVICES ADVISORY - Applicants and service providers are prohibited from using the Schools and Libraries Support Mechanism to subsidize the procurement of ineligible or unrequested products and services, or from participating in arrangements that have the effect of providing a discount level to applicants greater than that to which applicants are entitled.

Complete program information - including more information on these reminders - is posted to the Schools and Libraries Division (SLD) web site at www.sl.universalservice.org.
